

# GARMENT WASHING INSTRUCTIONS

Q1 Issue 13 - 30/01/2026

Pendle kits are made from high-quality fabrics that are tested for durability and wash performance. To ensure long-lasting wear, please follow the care instructions below and always check the garment care label.

## Football Kits, Jackets & Tracksuits

### Before Washing

- Always wash garments inside out to protect prints.
- Wash light and dark colours separately.
- Do not leave items damp, muddy, or bundled together.
- For first wash, wash items separately to remove any excess dye.

### Stains & Mud

- Remove excess mud as soon as possible by soaking in cool water with detergent.
- Treat stubborn stains directly before washing.
- Do not use stain remover on printed areas.
- Do not add in wash stain remover to the washing machine.
- Some residual staining may remain even after deep cleaning.

### Washing

- Wash on a synthetic cycle at the temperature shown on the garment care label.
- Do not overload the machine.
- Use a mild detergent.
- Do not use fabric softener or brightening agents (this can affect prints and performance fabrics).

### Drying & Ironing

- Tumble dry on a cool setting if permitted on the care label.
- Do not iron printed areas.

## Showerproof & Waterproof Garments

### Before Washing

- Wipe clean with a damp cloth where possible.
- If washing is necessary, wash inside out on a synthetic cycle.
- The correct washing temperature is shown on the garment care label.

### Important

- Do not use fabric softener.
- Do not use stain remover on printed areas.
- Do not tumble dry.
- Do not iron printed areas.
- Waterproof garments may require reproofing after washing.

**Pendle Sportswear Ltd does not accept liability for discolouration or damage to garments caused by the elements or incorrect laundering.**
